Brewing Big Ideas: Expanding Beyond India at TiE Ahmedabad

On **16th October**, we sipped on strong coffee and even stronger insights at our second **Coffee with Mentor** session. This time, the focus was on **Growing Business Outside India**. We brought together 12 mentees and 3 amazing mentors—**Saurabh Mehta**, **Chirag Patel**, and **Kaushal Mehta**—who shared their invaluable experiences and insights on expanding businesses internationally.

How much was sipped? A lot! The session provided our members with actionable strategies to navigate the complexities of global expansion. Even though each mentee had 30 minutes to pick the brains of our mentors, the conversations were so enriching that they could have gone on forever!

A heartfelt thank you to our mentors for taking the time to share their wisdom, and to our mentees for their enthusiastic participation. Stay tuned—there's always something exciting brewing at **TiE Ahmedabad!**
